Dear Scout Leader,

Attached are your troop's merit badge assignments for the MBU to be held at MTSU on February 25, 2006. Please be sure each scout has read the appropriate merit badge book and brings it along. Be sure each scout knows his assigned class ahead of time.

ALL SCOUTS must bring a **Release/waiver** form signed by a parent or guardian. Copy and use as needed for your unit. This release **MUST** be completed and signed by the **scout and parent** and **presented to the registration desk** helpers. BSA and MTSU policy does not allow scouts to participate in these activities without the release -- no exceptions!

Those scouts taking the **First Aid** class must bring a **personal first aid kit**, as required by the merit badge book, in order to fully complete the badge at MBU.

Registration will be from 7:30 AM - 8:30 AM (Central Time) in the James Union Building. A map is enclosed which should help you locate this building. It is highly recommended that **you copy the map for each scout**. A special map with driving directions is also provided to help you find the parking lot. Closing ceremony is at **3:45 PM** (Central Time).

Everyone should wear the class "A" uniform, as determined by your unit committee. After the opening ceremony, scouts will be taken to their classes by the merit badge counselors. Scouts will remain with the counselors until we reassemble for the closing ceremony. A separate program will be provided for adult leaders.

If you have any questions prior to the MBU, please call me at (615) 898-2801 (M-F) or email me at jhigh@mtsu.edu. On the day of MBU, my cell number is (615) 545-2606. In case of an emergency, call the campus police at (615) 898-2424.

In Scouting Service,

John L. High
